

The **NCM Insurance Agency** is pleased to provide you with a policy for your collector vehicle insurance through a member company of American Modern Insurance Group (A+ rated). We want to thank you for the privilege of serving you on your insurance needs. It's a responsibility we take very seriously – and greatly appreciate.

Below is a checklist of items that we need to have completed to maintain coverage. To help us meet these required underwriting requirements you have **14 days** to return the items requested.

PLEASE DO NOT STAPLE ANY ITEMS

- >> Complete and sign the attached application and state required forms (if accompanied). Please **return all pages that are included – not just signature pages**. Please simply sign/date and return these to us. All items have been pre-selected and completed for you based on your discussion with us when the policy was started.
- >> We also need current color photos (print or digital) of your pride and joy. We need photos showing all four sides (front, back, and each side). For modified vehicles please include the engine and interior.

Examples of preferred photos:

(Shows front and side)

(Shows rear and side)

Once gathered - this information can be submitted to your personal **NCM Insurance Team by using the contact information below.**

Please do not fax photos.
